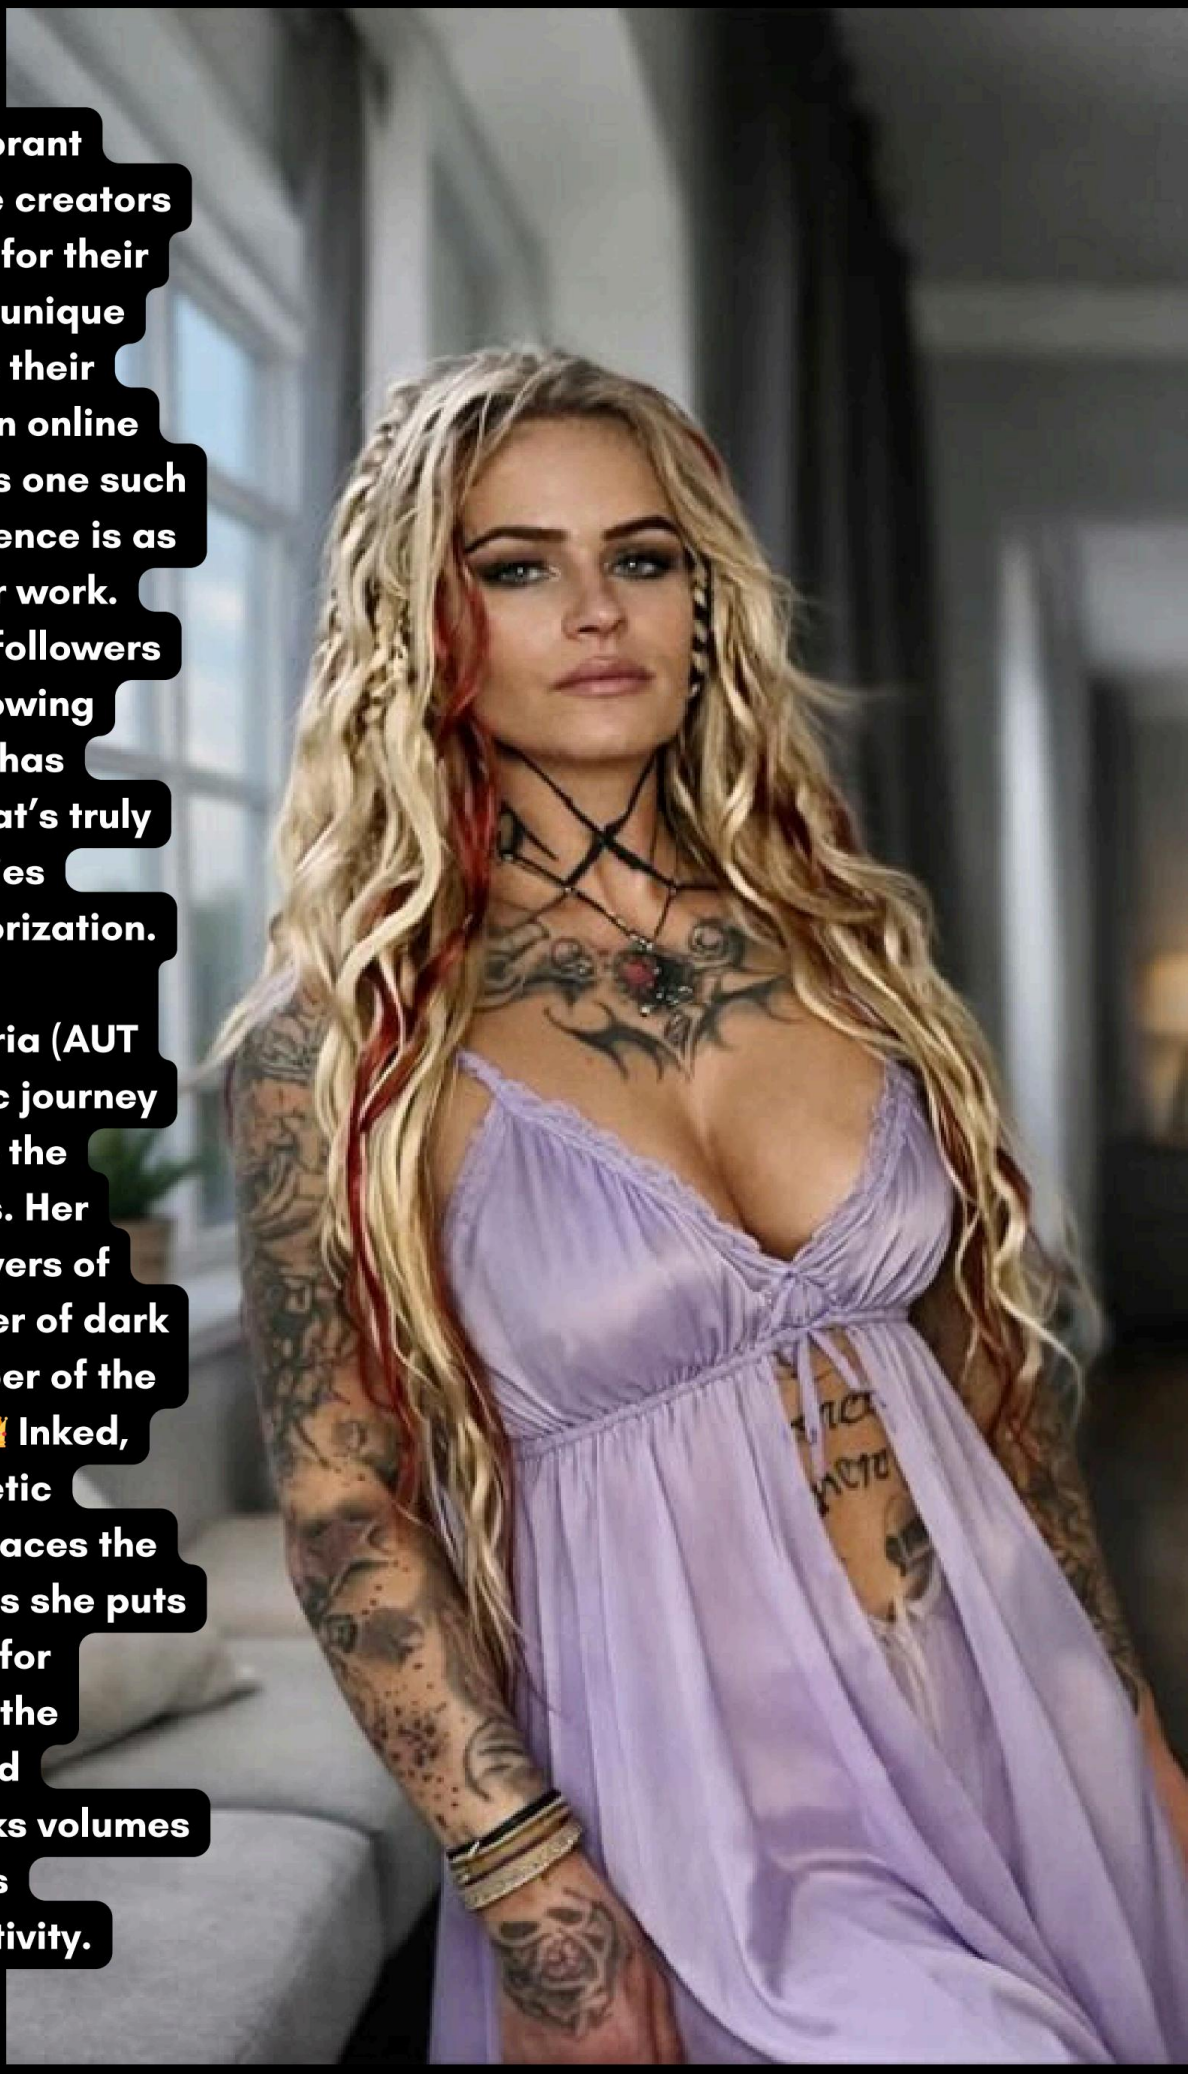
Disclaimer: Honoring Artists, Models, and Photographers
At My Tattoo Inc., & Woba Models we take pride in showcasing the incredible talent of models, artists, and photographers within our magazine. We strive to credit everyone associated with the artwork we feature, both in our publications and across our social media platforms. Please note that we do not sell the work of these talented individuals.
Our magazine operates on a non-profit basis and is provided free of charge to readers around the world, as our mission is to celebrate and promote the art of tattooing and the creative community.
If you have any concerns regarding the use of your image or work, we encourage you to contact us. We value your contributions and are committed to making any necessary adjustments, including removing or replacing your picture as needed. This flexibility is one of the many advantages of a digital magazine, allowing us to ensure that all artists are represented in a manner that aligns with their wishes.
Thank you for your understanding and for being part of our vibrant tattoo community.

Discovering Madi: The Enigmatic Artist Behind InkedMadixx



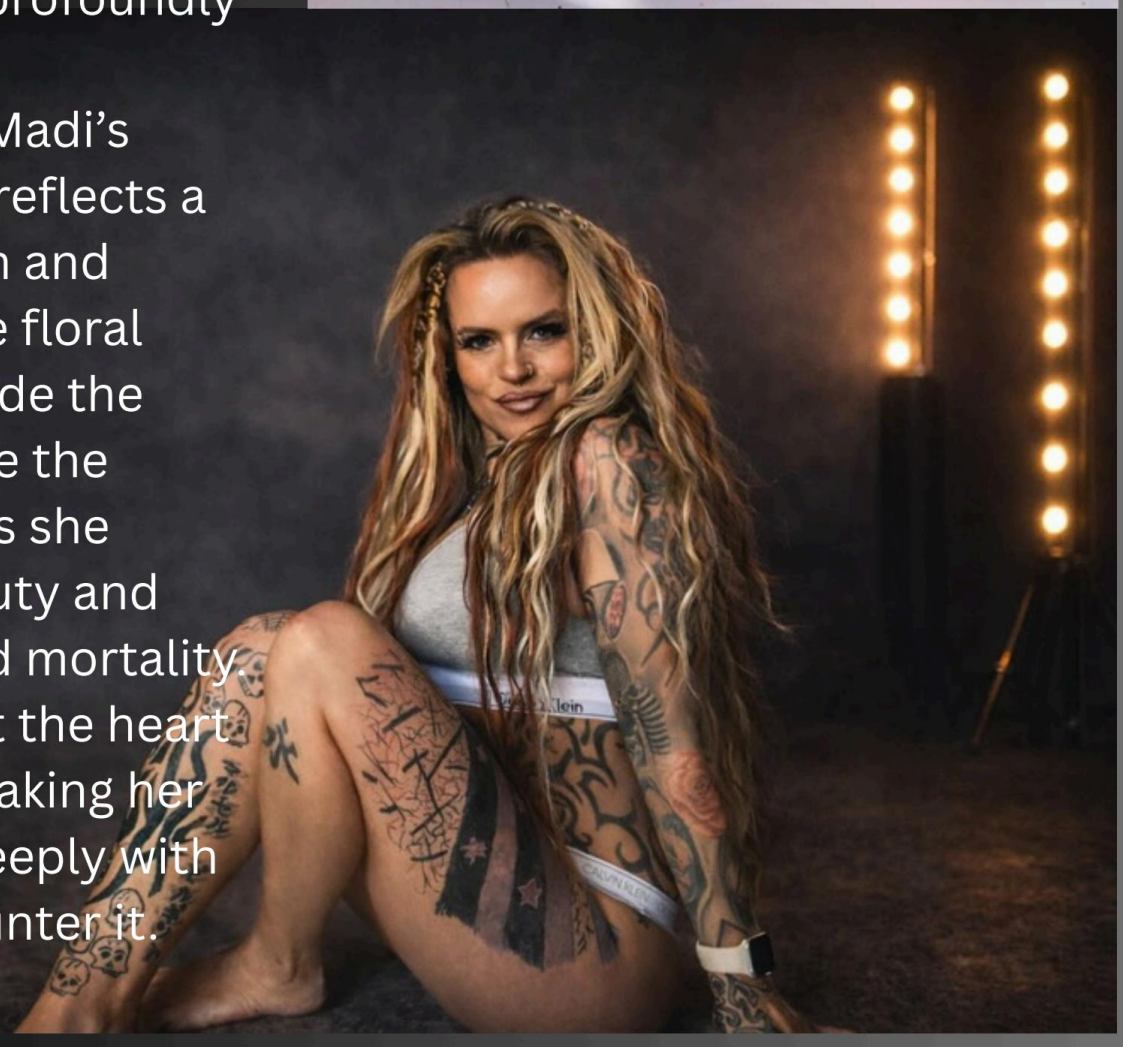
In the vast and vibrant world of art, some creators stand out not just for their talent, but for the unique aura they bring to their craft. Madi, known online as inkedmadixx, is one such artist whose presence is as captivating as her work. With over 25,000 followers and a steadily growing community, Madi has carved a niche that's truly her own — yet defies traditional categorization.

Hailing from Austria (AUT 🇦🇹), Madi's artistic journey is as intriguing as the pieces she shares. Her profile hints at layers of personality: a lover of dark romance, a member of the exclusive TEAM 👑 Inked, and an unapologetic creator who embraces the unconventional. As she puts it, her art is "NOT for everyone & that's the CHARM." This bold declaration speaks volumes about her fearless approach to creativity.

What makes Madi's work stand out? It's the absence of boundaries.

She doesn't confine herself to a specific niche; instead, she explores varied themes and styles, weaving intricate stories through her ink and imagination. Whether it's the delicate bloom of a flower or the intense shadows of a dark romance motif, each piece invites viewers into a world that's both mysterious and profoundly personal.

Beyond her art, Madi's digital presence reflects a blend of strength and vulnerability. The floral emojis 🌸 alongside the skull ☠️ symbolize the complex dualities she embraces — beauty and darkness, life and mortality. This balance is at the heart of her artistry, making her work resonate deeply with those who encounter it.



The Artistry of Madi
What truly sets Madi apart is her breathtaking tattoo collection. Each piece tells a story — of strength, nicely fitted Madi.

For anyone seeking inspiration or simply a fresh perspective on modern art, Madi's portfolio is a treasure trove. Follow her journey at @inkedmadixx and dive into a realm where creativity knows no limits, and every stroke tells a story worth exploring.

CECILE AKA. CCYLE

HOW LONG HAVE YOU BEEN TATTOOING AND HOW DID YOU START YOUR TATTOOING JOURNEY?

- I STARTED TATTOOING A LITTLE BIT OVER 6 YEARS AGO. IN 2015, I JUST MOVED TO AUSTRALIA AFTER LIVING IN SOUTH AFRICA FOR 3 YEARS, AND MY BEST FRIEND ELOISE (WHO IS ALSO A TATTOO ARTIST) TOOK ME AS HER APPRENTICE IN A TATTOO STUDIO IN ADELAIDE, SOUTH AUSTRALIA. I STAYED THERE FOR 2 YEARS BEFORE I MOVED BACK TO EUROPE.

DO YOU REMEMBER WHAT WAS THE FIRST TATTOO YOU DID? IF SO, TELL US WHAT IT WAS AND FOR WHO.

- MY FIRST TATTOO WAS ON MY BEST FRIEND. IT WAS SO SMALL BUT SO STRESSFUL, BUT IT ENDED UP LOOKING PRETTY GOOD FOR THE FIRST ONE.

PLEASE, TELL US ABOUT YOUR CURRENT TATTOO STYLE AND HOW IT HAS CHANGED OVER THE YEARS.

– MY TATTOO STYLE IS NEOTRADITIONAL BLACK AND GREY. I'VE ALWAYS LOVED DRAWING DARK, STRONG AND SEXY WOMEN, AND THIS STYLE OF TATTOO WAS WHAT I REALLY LOVE DRAWING: A GREAT ALLIANCE BETWEEN STRONG LINEWORK AND REALISTIC SHADING.

DOES ANYONE OR ANYTHING INSPIRE YOU?

– I GET INSPIRED EVERYDAY BY THE PEOPLE AROUND ME OR THAT I FOLLOW ON SOCIAL MEDIA. I'M VERY LUCKY TO BE SURROUNDED BY EXTREMELY TALENTED PEOPLE, BUT I ALSO FIND INSPIRATION IN BOOKS, ARTWORK, PRINTS AND I TRY TO SUPPORT ARTISTS I ADMIRE.

ARE THERE ANY TATTOO ARTISTS WHO ARE EXTREMELY ADMIRABLE TO YOU? IF SO WHO?

– THERE ARE A LOT OF ARTISTS THAT I ADMIRE. THE ONES THAT TATTOOED ME ARE PROBABLY THE ONES I ADMIRED THE MOST AND THAT I WANTED TO MEET, WATCH WORK & TATTOO : SNEAKY MITCH, EMILY ROSE MURRAY, KASASINK, MYSTIK, BRENDAN BOZ, CARL GRACE, JOE FROST, ONNIE O'LEARY…

What a GREAT Collection

Inked Tabu: When Black Isn’t Enough

In a world where fashion often follows predictable rules, Inked Tabu stands out as a bold celebration of individuality, strength, and fearless self-expression. This Instagram account is dedicated solely to showcasing inked ladies who don’t just wear their tattoos—they wear their power, their stories, and their style with unapologetic confidence.

With its compelling motto, “When black isn’t enough,” Inked Tabu embraces the idea that fashion and self-expression go well beyond traditional limits. Black clothing has long been considered the epitome of style, mystery, and elegance, but the women featured here prove that sometimes, even black is just the beginning. Their outfits are powerful, edgy, and boundary-pushing—just like the tattoos they wear with pride.
